Speaker, Films Scheduled For A.A.U.N. Meeting

That Dr. Peter H. Odegard, affiliated with the Political Science Department of the University of California, has been selected to be the principal speaker for Albany's United Nations Week celebration scheduled for Oct. 19 in the Cornell School auditorium was revealed today by Judge Louis J. At a special executive board meeting held Wednesday, Aug. 10 in the Cornell School teachers' lunchroom, plans were formulated for the presentation of an outstanding UN program consisting of the speaker and colorful films dealing with the work of UNESCO in Patzcuaro and Thailand. Dr. Florence Harris, program chairman, is currently touring the Patzcuaro (Mexico) area and will provide the narration and personal comments. COUNCIL ACTS ON BUS STOPS

Albany City Council took action on a number of more or less important matters at its regular session on Monday night. Among them was the transfer of nearly six thousand dollars from the general equipment fund to the major street account. This was said to be a bookkeeping move suggested by state officials to reconcile various requirements of the gas tax fund.

The Council also passed a resolution changing the bus stop arrangement at Solano and San Pablo Aves. This problem has been discussed around for several months, new objections arising each time an apparently satisfactory solution had been reached. Main difference from previously announced plans calls for the "G" bus, southbound to stop in front of the Albany Hotel at Kains and Solano. This would permit the bus to get into position for a legal left-hand turn at the intersection, not now possible. The resolution was passed by a four to one vote, Mrs. Zahn voting "no."

The appointment of Mrs. Beatrice S. Nathan as a member of the Albany Library Board, succeeding Arthur L. Weinberg, resigned, was announced by Councilman William L. Donahue. Mrs. Nathan, who resides at 509 Pomona Ave., is a former member of the board from which she resigned after two and one-half years when her husband became a temporary employee at the library. More recently Mrs. Nathan has been a member of the Traffic Safety Committee from which she resigned to take the library appointment. She is well known throughout the city for her interest and activity in civic affairs.

The city received an invitation from the Alameda County Admission Day Committee to members of the Council inviting them to participate in the escort division of the NDGW and NSGW parade in Santa Cruz on Sept. 9.

Admission Day Committee to Meet Weekly

The Alameda County Admission Day celebration committee of the Native Daughters and Native Sons of the Golden West is meeting every Monday evening in the supervisors' chambers, Alameda County Court House at 8:15 p.m., according to Joseph Perez and Mrs. Rowena Fernandez chairmen.

A partial report of the progress on the pre-admission day dinner dance will be given by Mr. Russell Howland and Mrs. Sarah K. Bryant. The dinner dance will be held Saturday evening, Sept. 3 at 7 p.m. in the music room, Castlewood Country Club in Pleasanton. Assisting with the arrangement are Richard F. McCarthy, Edward T. Schnarr, Mrs. Hazel Andrews, Mrs. Maxine R. Clements and Mrs. Frances Andresholm.

The decorations are under the direction of Mrs. Minnie Boardman, Mrs. Alice Abernathy, Mrs. Jessie Quigley and Mrs. Mae Lufkin.

Several sketches of floats were submitted by the chairmen Mrs. Lola Bredeholt and Mr. Larry Laflour and after some discussion one was selected which will be made up and entered in the parade to be held in Santa Cruz on Friday, Sept. 9 at 10 a.m.

Mrs. Lena Torchia and her committee are busy working on the radio part of the committee.

The parade committee, under the direction of Mrs. Kathleen Dombink, Mrs. Pauline Murphy, Miss Mary J. Lange, Mrs. Ellen Coleman, Mr. William Dombink, Mr. Frank Rigney are setting up the parlors for Alameda County.

James Hubbard and his committee for competitions have announced that the junior and senior competitions will be held Thursday evening, Sept. 8 in Santa Cruz. Entries are also being received for the bowling tournament which will also be held in Santa Cruz the week of Sept. 9.

The appointment of the marshals and guides for the Alameda County units will be announced at the next meeting of the county committee.

More than 30 bands, drill teams, drum and bugle corps, and choral groups will be on hand to entertain the thousands of visitors to the fair this year.

THE BANK OF

Formerly Bank of Berkeley

All the things you like
are still here...

our loan
service

for instance...

Borrowing from Bank of Berkeley (whether in person or by mail) has always been a rather simple and friendly transaction, and it continues that way now that it's part of The Bank of California. Personal loans, installment financing, home loans... the procedures are just the same and the terms haven't changed. But to business and industry, we can now offer much more. As an office of a half-billion dollar bank, our lending capacity has multiplied and we're happy to discuss major financing needs with you. You'll find the same officers and staff you've been accustomed to, and a greater ability to serve your needs.

Meet the Longs who set up housekeeping in San Jose in 1935

20 YEARS AGO — when George and Jean Long were married, they had just four appliances: range, water heater, waffle iron and radio.

TODAY — their comfortable home has 19 more appliances, including: refrigerator, washer, ironer, gas furnace, television set, vacuum cleaner, toaster, mixer, clock, coffee-maker, razor, heating pad, record player, sun lamp, 2 radios, fan, hedge clippers and drill.

Today they buy \$18 worth of gas and electricity for \$13
...for the average unit cost is less than it was in 1935

Most Californians, like the Longs, have added gas and electric servants over the years. The average California home uses three times as much gas and electricity as twenty years ago. Naturally, your total bill is higher, but the average price of a kilowatt hour of electricity and a cubic foot of gas is about one-third less than in 1935 — thanks to mass production economies. As a result, the Long's gas and electric bill a recent month was \$13.73. In 1935 the same amount would have cost over \$18.00. And this same savings will most likely apply to your bill. Can you think of any other products that are lower today than 20 years ago? No wonder we say . . .

Gas and electricity are cheap in California

Beautiful Spanish Style MacGregor!

WE'VE just listed a superb home, in absolutely beautiful condition, occupied by original owner. This home, built just before the War, has 5 large rooms, 2 bedrooms, (including large dining room), also breakfast room, and large basement utility room. Plus an oversized garage with workshop space. New central heat installation. There is a magnificent backyard with lovely lawn, hothouse, shrubs and altogether giving the impression of being in a park. Its only 1/2 block to MacGregor School, and of course near the High School and Park. The price is \$14,000, and it's in its birth every cent of it. Please call for appointment.

GI's Look!
GI financing is rapidly fading as loan funds run out. We have however just located a new source, and we believe this immaculate 5 room Albany home can be handled with 10% down and easy monthly payments including taxes and insurance. It has plank, hardwood floors, beam ceilings and corner fireplace. Top shed in rear. Call us for appointment. And non-vets, we may be able to finance this with small down payment also.

Exceptional Opportunity!

HERE is an 8-unit apartment house in El Cerrito, well-ventilated, 13% or better on investment. Owner will take home as down payment, preferably a clear home, but will consider any home if in Albany, North Berkeley or El Cerrito. Owner will also consider taking a Deed of Trust as down payment. Call for further details.
